

# Cooperation Reproducible Lyric Sheet

## 1. Cooperation

My teacher gave us  
a big project to do.  
He said it will be something  
special and new.  
We will be working in  
a small group of three.  
We all are part of this  
great project, you see.  
Cooperation.  
Cooperation.  
Working together  
can be easy and fun.  
Cooperation.  
Cooperation.  
Working together  
to help get the job done.  
Jack prints so neatly,  
so he'll write it just right.  
Dee is the artist.  
She will finish tonight.  
I can speak clearly,  
so I'll read it aloud.  
We all do our part,  
and it makes us all proud.  
Cooperation.  
Cooperation.  
Working together  
can be easy and fun.  
Cooperation.  
Cooperation.  
Working together  
to help get the job done.
