

Kindness Reproducible Lyric Sheet

4. Kindness

Just like the baby,
wants from her mother,
She wants to snuggle,
just like her brother.
Just like the mother,
wants for her baby,
She wants a safe world,
and hopes that maybe,
We can speak gently.
We can show smiles.
We can spread kindness,
in our own styles.
Ooooo Yeah La la la
Ooooo Yeah La la la
Just like all people,
want for each other,
some peace,
some patience,
from one another.
We can speak gently.
We can show smiles.
We can spread kindness,
in our own styles.
Ooooo Yeah La la la
Ooooo Yeah La la la
Let's spread kindness.
Let's spread kindness now.
